

1st CSHS Graduate Student Conference

The Canadian Society for Horticultural Science is excited to announce the 1st CSHS Graduate Student Conference happening on **August 27th, 2020**, via. WebEx.

Graduate students of all levels working on a topic related to horticulture are welcome to present a poster or talk related to their research. Student presentation awards are available, and all student participants will receive a certificate of attendance.

Current **CSHS student members will receive free attendance** to the conference. Students who are non-CSHS members and wish to participate can join the CSHS for \$25 via <http://www.cshs.ca/>.

ABSTRACT SUBMISSION

For both poster and oral presentations, submit a 250 word abstract by July 31, 2020, to cshs.student.committee@gmail.com

For updates on the upcoming conference and future events please: Visit us at <http://www.cshs.ca/>, give us a follow, on Instagram and Twitter and like us on Facebook.
